Subject: Electronic Filing in Case No. 07-cv-793

Thank you for filing your documents electronically. Document No. 14 contained a Certificate of Service which should have been captioned and uploaded as a separate document. This document is satisfactory as filed, and does not need to be resubmitted. Please do not combine documents and either efile Certificates of Service as a separate document or as an attachment on future filings. If you have any questions with regard to this, or any future filings, please contact me.
